A message from Mr Hodgson

What another fantastic week we have had in school, the weather has been positively spring like, the mornings and evenings are lighter and following on from our brilliant Sport Relief day, we had an absolutely brilliant World Book Day! Thank you for your support with dressing up/costumes and also the 'decorate and potato' competition. We intend to survey parents/carers next week to ask for your views about World Book Day for next year.

Curriculum

World Book Day dominated the curriculum this week. Here are a selection of photographs from the day and do have a look on Twitter @BaderPrimary for more images of the day. World Book Day is great for reinforcing the importance and joy of reading and we hope the fact that we managed to supply every child with a book rather than a voucher, helped your child develop their love of reading too.

Staff were given 5 top tips for World Book Day. These were:

1. Make it about fantastic books
2. Share some amazing books
3. Talk about wonderful books
4. Enjoy using some brilliant books
5. Oooh, did I mention books?

Read for the Stars

Well done to **Georgia Watson, Holly Fox, Olly Curran, Cole Parker, Logan Keen, Maizey Smith** and **Maddie Benson** for reaching the sun this week. A very big well done also to **Rhia Grey** for reaching the sun a second time! Every child should have reached the sun at least once by now. Reading every day is part of our home school agreement and home learning. Please read with your child or encourage them to read aloud to you or to find a quiet place and lose themselves in a really good book!

Please see the '5 Top Tips' for World Book Day and reading in general, above.

School works extremely hard to support families in getting children into school but on occasions, we have no alternative but to issue warning letters, or make referrals to the Local Authority if children's attendance falls below guidelines issued by the Government. Please speak to Mr Garbutt, our Attendance Officer or Mrs Mulligan, our Parent Support Advisor if you need any support with this. Children who are regularly late for the start of lessons need to catch up on any missed learning.

Remember, the gates are open from 8.45am and the doors to classes close at 8.55am when the bell sounds. Late children must then enter school via the front entrance and are given a 'late slip'. Only Year 6 children are allowed to come to school and walk home on their own. All other children must be dropped off and collected in the playground please. Children who are regularly late for the start of lessons need to catch up on any missed learning.

Bader Values

Our Bader values of **happiness, aiming high, determination, excellence and respect** continue to be celebrated and rewarded. The rewards your children receive (via class dojo) all now link to the above values and in addition to our celebration assembly on a Monday, children can earn 'aiming high' tokens towards bronze, silver and gold awards.

This week's Best of Bader awards go to:

Sadie Spence – Aiming High

Jackson Charlton – Aiming High and Determination
