The Curriculum

Reception pupils enjoyed a great trip out to Butterfly World this week. They were very lucky with the weather too!

Year 1 pupils had a lovely visit to St. Peter's Church. The children showed respect whilst inside the church and asked lots of interesting questions.

Read for the Stars

Well done to **Elisha Gibson, Anthony Daniels, Lacey Elliott, Maggie-Mae Raine, Anthony Charlton** and **Amy Pepper** for reaching the sun this week.

Every child should now have reached the sun at least once as school is committed to fostering a love of reading.

80% of the children in school have now benefitted from a new book – it would be lovely if it was 100%!

To that end, can we ask you to please read with your child or encourage them to read aloud to you or to find a quiet place and lose themselves in a really good book!

School Improvement Fund Bid: New Roof for Bader!

Work on the new roof will begin in the next few weeks. Scaffolding will be erected around the site and this will remain in place while the work is being undertaken (mostly over the summer). The company responsible for replacing the roof will be coming into school to talk to the children about the safety precautions undertaken and how the site will be kept safe for everyone.

Good Attendance and Punctuality = Good Learning

The importance of being punctual and coming to school can never be underestimated, in terms of contributing massively to children's learning.
