

Spring Term Newsletter 6

8 February 2019

Dear Parents/Carers,

You may well be aware that one of our children in Year 1 has been very poorly recently and has been hospitalised for a period of time. We are pleased to report that she is 'on the mend' and getting better every day which is really positive news. Next week, we are visiting the little girl and will send our thoughts and well wishes from everyone in the Bader community.

Good Attendance and Punctuality = Good Learning

The importance of being punctual and coming to school can never be underestimated, in terms of contributing massively to children's learning. This is why, we as a school, are always keen to encourage positive attendance. With our link to Middlesbrough FC and specifically 'Roary's Class Acts', in the last few weeks we have had children attending football matches and having stadium tours too!

Zak Escritt (Year 5 Mrs Smith's class) – outstanding improvement in attendance), Lacey Elliott, Brett Davies and Hollie-Rose Readman (all Year 6) went on the stadium tour. They were a credit to the school throughout the event.

Onto last week's attendance, 5 classes had 96% attendance or better, with Mrs Jatwa's children being the best attenders with 98.6% for the week – well done to them. Bader bear has moved across the year 2 classes!

Sports Stars

Another award we have recently introduced is that of Key Stage 'Sports Stars', where the contribution to P.E. and sport is recognised by Mr Murphy, our Sports Coach. Well done to the winners so far: **-Saif Ahmed, Isla Bowe, Louie Stenburge, Geri Downs**

Reading at Home

Here at Bader, the importance of reading in terms of how vital a skill it is in enabling a successful education, cannot be stressed enough. Reading for pleasure is really important too which is why we introduced our successful **'Read for the Stars'** initiative. Whilst we encourage children to read at home 5 times a week, there is no consequence if they do not. However, if they do not bring their reading book and reading record in daily on a regular basis then there would be a consequence for this as this is learning behaviour which would need to improve. Thank you for your support with this.

To that end, we have had another successful group of children reaching the sun. Well done to: **Inaayah Wajid, Holly Fox, Sam Robinson, Melody Taylor, Tia Campbell, Ethan Munster, Alfie Wilkinson, Demi-Leigh Colmer** This week, we had **Charley Bryan, Kianna-Mae Harper and Joseph Elliott**, reaching the 'sun' for a second time. Very well done!

Reading every day is part of our home school agreement and home learning. Please read with your child or encourage them to read aloud to you or to find a quiet place and lose themselves in a really good book.
