

Autumn Term Newsletter 7

19 October 2018

Dear Parents/Carers,

As we move into the last week of school before half term we continue to have lots happening in school.

Harvest

Our harvest donations are looking much better! Thank you for these. Remember, you can still donate up to next Friday then we will be splitting the produce between our local food bank and the Salvation project (another local charity).

Aiming High assemblies

There will be no "Aiming High" assembly next week again as we are starting our learning on 'Remembrance' next week with a very special visitor.

Writers of the week!

'Writers of the week' were presented with a fabulous certificate in our celebration assembly last week. Children are chosen by their class teacher for impressive writing over that particular week.

Good Attendance & Punctuality = good learning

Last week was better than the previous week, with 7 classes having 96.2% attendance or better, and **Mr Brown' class** having the best attendance in school with 98.9%. Well done to them!

Remember too, please, the bell goes at 8.55am and the playground doors are then closed. Any latecomers need to go to the front office and be signed in by the office staff.

Circus Skills

Today, Marco the Clown (children's entertainer) entertained our extremely excellent attenders (100%) from last year with a fabulous morning of circus skills (see our Twitter feed).

Halloween Disco

Friends of Bader are holding their first 'big' event with a Halloween disco next Thursday 25th October. Early Years and KS1 at 4pm-5pm and KS2 at 5.15pm-6.30pm.

Unfortunately, there will be no after school clubs next Thursday (Gardening, KS1 football, TAG Rugby) because of the disco.

Reading

As part of our drive to improve standards in reading, we are focusing on developing our children's inference skills. Each week we will include a picture and some questions in this newsletter. We would encourage families to discuss these at home. Children can then bring these ideas back into school and be rewarded.

Question time!

- What do you think it would be like living inside a mushroom?
- If you could choose to live inside any vegetable what would it be and why?
- If you turn a mushroom into a house, is it still a mushroom?
- If mushrooms were your favourite food, would it be a good idea to live in a mushroom house?

Thank you for your continued support. Have a lovely weekend.

Mr Hodgson
