

Summer Newsletter

Our Team

Teachers

Mrs Douthwaite

Mrs Kirton

Miss O'Keeffe

Teaching Assistants

Mrs Brown

Miss Dinsdale

Miss Westwood

Dates for your diary-

26th April- Children will enjoy a visit to school from Zoo Lab. We will be meeting lots of interesting animals.

25th May- Term ends

Reminder- PE

Our PE session will be every Wednesday with our sports coach Mr Murphy.

Please ensure your child's PE kit comes into school and stays in the cloakroom until we break up.

Summer Time

Hopefully we will see a change in the weather soon. Please send your child to school with a sun hat (labelled) and wearing sun cream on hot days.

Children will continue to have access to their water bottles during these times.

Reading

Please continue to listen to your child read as often as possible. Please make sure you continue to write in your child's reading record book and send their book bag into school every day.

Reminder!

Children who read three times a week at home will enjoy pizza in school as an end of term treat!

Curriculum- Summer Term 1st half

Children in Reception work from the Early Years Foundation Stage Curriculum. Adults support their learning by following their interests, engaging them in adult-led activities and maintaining a stimulating environment.

To engage the children's interest, we will be following the topic-

Why do zebras have stripes?

Class Pets

Each Friday we will choose a child to take home our class pet. Please record the things you do together in their book. This will support your child in sharing their weekend news with the rest of the class.
