

Nursery and Early Learners December Newsletter

Wow! What a fun half term we have had! We've explored the world around us and documented the changing season, investigated leaves through science, reading, writing and number and developed our communication and language skills through daily talk challenges.

Our nativity was simply *spectacular* and we couldn't be more proud of the children.

We are so looking forward to continuing this development into the next term.

Our Next topic is all about 'sharing stories' so we will be having lots of fun with traditional tales such as 'The Gingerbread Man' and 'The 3 little pigs'. This topic will tie in really well with our weekly share a story sessions which will continue next term, every Tuesday at 11.15am and 2.45pm.

Daily reading books: We will be refreshing the choice of reading books for next term. If you need a new packet please just ask we would love as many children as possible to access this wonderful resource.

Thank you so much to everyone who attended our festive stay and play session. We have planned a Valentine's themed stay and play for Thursday the 13th February and hope to see you all again.

**Have a wonderful
Christmas
holiday, from the
Early Years Team.**

Leaf

Vocabulary

We are always working on pencil grip. Making our hands stronger using playdough and playing with small toys helps to develop the skills necessary to write.

Bedtime book bear is enjoying his travels! Thank you for sharing your homes with him and returning him safely!
