

SUMMER

Can you believe Y5, this is our last term!

Take pride in how far you have come and have confidence in how far you will go!

Our new topic after Easter is 'The Egyptians.' We will be learning about famous events and people during the Egyptian era.

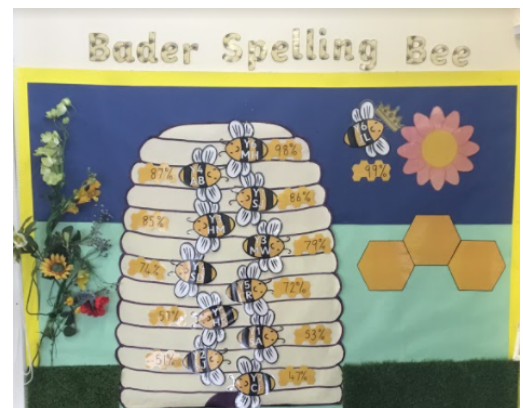

Our new class text linked to VIPERS is also based on our Egyptian topic. Children will begin reading, 'Secrets of a Sun King.'

are proof
that you are
TRYING

Spring Term saw the launch of our very own, 'Bader Spelling Bee.' Children across all year groups are in competition to achieve the highest spelling score. It is important that children practise their spellings at home and they can do this by accessing Spelling Shed. Our spelling test is on a Monday.

Year 5 need to remember to come to school on a Thursday in their PE kit. They should try and stick to their green top and black joggers or shorts. PE tops can be purchased from the school office.

Times Table Rockstars is a perfect way to help children learn their times tables. There is an exciting new competition being launched on Friday 16th April – Battle of the Bands!

Children in Y5 should aim to read at least 5 times per week. Many more children are reaching the sun and some have even got there 3 times!

In Science this term, Y5 will be learning about 'Living things and their habitats.' They will be writing instructions and following them to plant their own seeds.

A book is a gift you can open again and again.
