2nd July 2021

A message from Mr Hodgson

Another superb week in school and 'touch wood', we are all still in school. This, unfortunately, is not the case, nationally and locally, where positive COVID cases are on the increase. The importance of washing hands regularly, wearing face coverings and respecting a 2 metre distance has never been more important. The next few weeks we have so much planned and I just hope that we will be able to just get to the final Tuesday (20th July) relatively unscathed.

End of year reports

Despite the fact that this academic year has again been difficult, it is a credit to the children's resilience that (when they have been able to) they have come to school and done their very best, displaying our Bader values every day. End of Year reports will now be going out (in paper form, this year) to you **next Friday 9th July**.

In addition to the end of year report we will be sending out a parent/carer questionnaire for you to complete and return as soon as possible please.

Thornaby Pride

Look out for your copy of this brilliant and informative magazine. This edition Miss Ferens wrote the article for school, detailing how we promote and develop science across school.

Year 6 Leavers

Our super Y6 children will be off to pastures new in 2 weeks time, when they leave our school and prepare for the next part of their educational journey (which is secondary school). We have a few things organised (for them and you) over the next few weeks, even though a residential hasn't been possible, this year.

Rewards

In school, we reward children for demonstrating our Bader values of 'being happy', 'aiming high', 'determination', 'excellence' and 'respect'. Our children work towards bronze, silver and gold awards when they reach 100/200/300 Bader value points, respectively.

Today, the first two children, this academic year, to be awarded a platinum certificate for amassing an exceptional haul of 400 points are: Willow Cooper and Isla Bowe. A big well done to them!

Read for the Stars

'Read for the Stars' where children are rewarded for reading at home also goes from strength to strength. Our latest children to reach the sun and therefore receive a book, a certificate and a bookmark in our virtual assembly are:-

Jenson Hilton, Kaden Nolan and Reggie Smyth for reaching the sun for a 3rd time! A great achievement!

Frankie-Jayne Vale, Saif Ahmed, James Chambers, Jake Mylan, Maddie Benson, Lilly Curran, Alex Bryan, Harry Ramsey and Sadie Hitch- well done for reaching the sun a 2nd time!

Logan Smith, Terence Lawson, Imani Deen, Daylen Waite and Grace Stephenson- well done for reaching the sun for the 1st time!

Remember, we ask that children read a minimum of 4 times a week in Early Years and Key Stage 1, and 5 times a week in Key Stage 2 (up to the maximum of seven times a week).

As we have superstar children in school now who have reached the sun an amazing 3 times and can't reach the sun for a 4th time due to not enough school days left, if these children keep on reading until the end of term, I will organise an appropriate reward.

Twitter

We now have an amazing **2303** followers on Twitter. **Don't miss out!** You can catch up on all the exciting learning that has been captured on Twitter in the last week (@BaderPrimary) for postings of the latest news and events going on in school. Please follow us on Twitter. Also, check out our school website: <http://www.bader.org.uk/>

Date for your diary:

School will close on Tuesday 20th July 2021 for the summer break. We will open again to all children on Thursday 2nd September 2021.

Super Spellers

We are having a really big push on spelling in school this year, as we recognise it is something that needs to improve to help children with their written work. A new award, a 'Super Speller' certificate and pencil will be earned by any of our children who achieve full marks in spelling tests consistently. Well done to **Jack Beveridge, Peyton Screene, Phoebe Catchpole, Riley Clayton, Layton John, Alfie-Jack Crossley, Isobelle Potter, Eva Potts, Alex Bryan, Niamh Screene and Frankie-Jayne Vale.**

Pen Licence

We are on a roll with these - for children who have beautifully formed, joined handwriting, their reward is a 'Pen Licence'. This allows them to use a pen for all writing in school. Also, they are presented with a certificate in assembly, are given a pen licence card to carry with them and are given a special place in the hall on our 'Roll of Honour' board. This week's lucky pupil to receive their licence, as endorsed by the Pen Inspector General (me) is: **Ollie Holmes.**

2nd July 2021

Bikeability

As part of our vision at Bader, we want our young people to grow up as healthy individuals. Therefore, we have a big commitment to P.E and sport. This year again, we ran after school cycling for the Y6 bubble. To further develop cycling in school, Year 5 children have recently been undertaking cycling training in order for them to become safe and responsible cyclists. Well done to the following children who have been awarded level 1 in Bikeability:-

Louie Stenburge, Annabelle Spacey, Ronnie Smyth, Logan Smith, Alexis Shaw, Harry Ramsey, Lilly Parcell, Samuel Mace, Leon Littler, Kianna-Mae Harper, Georgia-Mae Crossley, Maddison Charlton, Olivia Burnham, Poppy Barton, Maisie Barrett and Alfie Wilkinson.

Punctuality

This has really improved this week, with far less children arriving late for school and therefore missing , that vital start to the day. Thank you for your effort and support with this and we hope that it continues until the end of term.

Finally, have a lovely weekend, good luck to the English football team as they attempt to reach the semi-final of Euro 2020. We sincerely hope that 'it's coming home'!

Mr Hodgson
