

Nursery and Early Learners Autumn Newsletter

Welcome back to Nursery and Early Learners! We have planned a very exciting half term for the children with lots of activities and opportunities to continue their development and learning.

Staff

Mrs Attwood, Mrs McLean, Ms Coleman

Outdoor Learning

We will continue to use the outdoor area daily to support the children's development. Please ensure that children come to school with coats and when necessary welly boots. Our PE day is Wednesday and children are encouraged to wear trainers to school.

Please ensure that all clothing is clearly labelled particularly cardigans/jumpers and as the weather turns colder hats scarves and gloves.

Curriculum

Children in Early Learners and Nursery work from the Early Years Foundation Stage Curriculum which has had an exciting update for September 2021. Adults support their learning by following their interests, engaging them in adult-led activities and maintaining a stimulating environment.

To engage the children's interest we will be exploring the topics-

This is Me!

and

Do Dragons Exist?

Communication and Praise

As you know we use Tapestry to document and record your child's learning. This learning is available for you to view on their online learning journal.

We will continue to communicate and praise via Dojo, with certificates and prizes awarded when children reach 10, 25 and 50 Superstar award points. If you have any problems accessing this or Tapestry please let us know.

As a whole school we are conducting 'Phone call Friday'. This is where one child each week will be chosen to receive a phone call home praising their efforts that week.

Rainbow challenges - we will be continuing with promoting one special challenge a week in nursery and if the children complete it they will receive a certificate.
