# YEAR 1 SPRING NEWSLETTER

Happy New Year! We are excited to welcome the children back to school for another fun term of learning.

### Read for the Stars

Last half term, lots of children reached the Sun on their reading rockets, which was fantastic! We are aiming for all children to have reached the Sun by the end of this term. Remember, we ask that you read at home 4 times per week.

## Home Learning

## Topics

In Science, this half term, we will be learning about everyday materials and we will observe seasonal changes which are happening around us. In History, we will learn about The Great Fire of London and in Geography, we will continue to learn about our local area and compare it to a seaside town. Religion and Worldviews will allow us to continue learning about Christianity. In Art, we will explore colour and mixing colours.

#### PE

Year 1 PE continues to be on a Monday morning. Please ensure that your child has a green t-shirt, plain black shorts or jogging bottoms and trainers.
