

NURSERY AND EARLY LEARNERS SUMMER NEWSLETTER.

Welcome to the Summer term in Nursery and Early Learners. We anticipate a busy and fun filled term ahead with lots of exciting topics and events to support our learning. This term we will be exploring...

HOW DO YOU FEEL?

WHAT CAN YOU SEE IN SUMMER?

PEOPLE AROUND THE WORLD

HOW MANY COLOURS IN A RAINBOW?

Phonics
Our daily phonics sessions will continue with children honing their listening and attention skills and developing their understanding of letters, sounds and words.

Maths
We will be continuing to develop children's understanding of numbers to ten through the introduction of a daily maths storybook session and developing activities both child and adult led that connect to the story.

Communication
We will continue to use Classroom Dojo as our primary method of communication and tapestry to record observations of children's activities and progress. Please speak with a member of staff if you have any issues using either of these apps.

Staff:
Nursery: Mrs Attwood (teacher)
Miss Ford (Teaching Assistant)
Miss Bullock (Teaching Assistant)
Early Learners: Mrs McLean (Room Lead)
Ms Colman (Teaching Assistant)
