## Summer Term

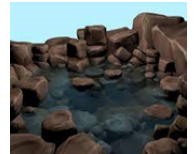

### This Term

Alongside child initiated play, we will be using a range of topics, to support and extend the children's learning. Our Summer Term topics are;

Why do Zebras have stripes?

Who lives in a Rock Pool?

We will also be learning about our Bader Values and how they link to the wider community.

### Don't Forget...

PE kit for sessions on a Wednesday (to be taken home at the end of half term) please ensure all uniforms and belongings are labelled.

As the weather improves please apply sunscreen to your child and send them with a sunhat. All children have a water bottle in school.All

Children must bring a book bag and reading record to school every day.

Read for The Stars – please try to read with your child four times a week. Thank you to those who continually support us with home reading. It would be lovely to see every child reach the sun very soon!

### Rainbow Challenges

The children are enjoying completing our weekly rainbow challenges. To support and encourage them, please talk about it at home.

Can they tell you how many challenges they have completed?

Can they talk about what they had to do?

### Home learning

Please support your child with reading the key words they have in their book bag. Practising writing letters in response to sounds. Reading, writing and counting accurately with numbers to 10 (20 if confident).

Sunflowers- Every child brought home a Sunflower plant before the Easter term. We have received some great photos via class Dojo. The last week of this term we will be asking for a final photo and measurement to award the winners with a prize!

Dates for your diary- 27-05-22- School closes for half-term break
