A message from Mr Hodgson

This week, in school has been dominated by Year 6 SATs. Thankfully, they are over now and completed for another year. I would just like to say that the children in Year 6 did their parents and carers proud – they were in school every day, happy, punctual and ready to go and taking advantage of breakfast provided by the school. The children have worked exceptionally hard again this year attending early morning sessions, after school boosters and easter school, to list just three of the extra support mechanisms provided by us.

Regardless of SATs scores, our aim is to make sure when they leave Bader, they are well prepared for the next journey in their education and this continues to be our focus right until the end of July.

We want the children to take our Bader values of: being happy, aiming high, being determined, showing excellence and respect, with them through their lives, as we believe these are the core to success.

Today, the Year 6's received their hoodies and did a 'trial run' in them on their way to Preston Park for the day (a post SATs treat).

Thank you to our Year 6 parents and carers and also to the staff in school, (particularly in Year 6), for the support that they have given to the children during their time with us.

Walk to school week

Next week, it is Walk to School Week!

Each class is competing against each other to record the highest percentage of active journeys in the week.

You could walk, cycle or scooter. If you live too far from school, you could park the car and walk the last 3 minutes of your journey.

The winning class will receive hot chocolate from myself the following week. Who will be the winners?

The Queen's Platinum Jubilee

Jubilee Day, in school, will be celebrated on Friday 27th May. Children will be invited to come to school in appropriate red, white and blue clothing and we will be marking this landmark event with a day of celebratory activities. Class teachers, dojo and this newsletter will add details over the next two weeks.

Dates for your diaries

Summer Term 1 Monday 25th April 2022- Friday 27th May 2022

Summer Term 2 Tuesday 7th June 2022- Wednesday 20th July 2022 (Monday 6th June is the extra day for the Queen's Jubilee)

Professional Developments days will now be Friday 1st July and Thursday 21st July 2022.

Twitter

Our Twitter followers are currently **2403** which is amazing. **Don't miss out!** You can catch up on all the exciting learning that has been captured on Twitter in the last week (@BaderPrimary). For postings of the latest news and events going on in school, please follow us on Twitter. Also, check out our school website: <http://www.bader.org.uk/>

Writing

Well done to those children who are having a go at the writing challenges in this newsletter. Please encourage your child with this and send their efforts into school where they will be suitably rewarded, this week's story starter and image is below:

Story Starter

All was silent in the forest. Not a breath of wind could be felt or heard.

A blanket of crisp, brown leaves lay on the forest floor, and a faint earthy smell wafted through the tall, bare-branched trees.

The serenity of the scene was gradually broken as the moss-covered, empty boots began to come to life. The soft, black leather seemed to flex as if something had slipped inside them. The leaves rustled and crunched beneath them, as one of the boots miraculously took a step forward...

Super Spellers

We continue to push with spelling in school this year. The class Spelling Bee is a weekly class reward for the class with the best spellings scores and an individual reward of a 'Super Speller' certificate and a pencil are earned by any of our children who achieve full marks in spelling test consistently.

The latest recipients are as follows: **Rocco Green, Jude McNeil, Jaxx Ellis-York, Ella Wilkinson, Cody Burnham, Chloe Brack and Frankie Brown.**

Read for the Stars

Reading and a love of reading is so, so important which is why we, at Bader Primary School promote this and encourage it so much. Our 'Read for the Stars' home reading initiative works like this: We ask that children read a minimum of 4 times a week in Early years and Key stage 1 and 5 times a week in Key Stage 2 (up to the maximum of seven times a week).

More successful readers this again week, well done to **Jake Pinchbeck, Daisy Robinson, George Robinson** for reaching the sun for the third time and also, well done to **Maggie Raine, Olly Curran, Gabby Mount, Nancy McGough, Rocco Green and Erin Liggett** for reaching the sun for the second time and well done to **Jacob McKnight, Ellis Robinson and Imogen Burrell** for reaching the sun for the first time.

We would love children to read more than 1 book/chapter a night at home but they will only have 1 stamp a day as a recorded in their reading rocket card. They work their way through the planets until they reach the sun and then as a reward for their enjoyment of books (and their work), they will receive a certificate and book of their choice in assembly (and their star on our display).

Attendance

Good Attendance and Punctuality = Good Learning

The importance of being punctual and coming to school can never be underestimated, in terms of contributing massively to children's learning. We have started slowly with attendance and punctuality, but it is important that children are in school.
