A message from Mr Hodgson

The sun has shone this week and we have had another lovely week in school full of 'busy-ness' as we get back to 'business'! This next half term is particularly busy with trips and visits, parents and carers being invited into school, reception graduation, Year 6 leaver's performance, transition to new classes, End of Year report, sports day..... the list is endless. We will inform you of all these dates for your diaries over the next week. Thank you for your continued support.

Curriculum

We continue to teach as ambitious broad and balanced curriculum as possible in all subjects. Here is a selection of twitter posts this week

Nursery have had a mystery nursery rhyme that they shared with friends.

Reception have enjoyed sharing the story 'The Tide'

Year 1 have created spiders on religious and world views.

Year 2 are exploring capacity in maths this morning.

Year 3's visit to Gurdwara

Curriculum

We continue to teach as ambitious broad and balanced curriculum as possible in all subjects. Here is a selection of twitter posts this week

Year 4 have enjoyed investigating how much gas is in different fizzy drinks.

Year 5 theorised what it would be like to live on the moon

Year 6 investigated the effects exercise has on the heart

Inappropriate Behaviour

The school does not condone behaviour on our site that is deemed to be upsetting to the children & other parents/carers & staff. Unfortunately, there was an incident this week, where inappropriate language was used around children. This has now been dealt but would result in the individuals being barred from the site if there was to be a repeat.

We try our best to work with our families and school community and apologise to these who witnessed this isolated incident.

End of Term Reports

Staff are currently very busy writing your child's End of Year report. These will be sent home in early July.

Writing

Well done to those children who are having a go at the writing challenges in this newsletter. Please encourage your child with this and send their efforts into school where they will be suitably rewarded, this week's questions and image is below:

- What has the woman used to catch the sun?
- How has she managed to trap it?
- What will she do with the sun now?
- Where do you think her home is?
- What would happen to the earth if we were further away/closer to the sun?
- Why do we need the sun?
- How do humans use the sun?
- How do plants use the sun?
- What would happen if the sun died?

These questions are intended to stimulate discussion at home and to help develop your children's imagination.

Twitter

Our Twitter followers are currently **2429** which is amazing. **Don't miss out!** You can catch up on all the exciting learning that has been captured on Twitter in the last week (@BaderPrimary). For postings of the latest news and events going on in school, please follow us on Twitter. Also, check out our school website: <http://www.bader.org.uk/>

Read for the Stars

Reading and a love of reading is so, so important which is why we, at Bader Primary School promote this and encourage it so much. Our 'Read for the Stars' home reading initiative works like this: We ask that children read a minimum of 4 times a week in Early years and Key stage 1 and 5 times a week in Key Stage 2 (up to the maximum of seven times a week).

More successful readers this again week, well done to **Desirae Davies** for reaching the sun for the third time and also, well done to **Joshua Mcknight, Frankie Maw, Shanaya Sohail, Valentina Young, Annie- Jo Suckling, Scarlett Foster, and Phoebe Brown** for reaching the sun for the second time and well done to **Monica Stephenson, Alexis Hawken and Ivy-Leigh Smyth** for reaching the sun for the first time.

Dates for your diaries

Summer Term 2 Tuesday 7th June 2022- Thursday 21st July 2022

Professional development days will now be Friday 1st July and Thursday 21st July 2022.

Super Spellers

We continue to push with spelling in school this year. The class Spelling Bee is a weekly class reward for the class with the best spellings scores and an individual reward of a 'Super Speller' certificate and a pencil are earned by any of our children who achieve full marks in their spelling tests consistently.

The latest recipients are as follows: **Maggie Raine and Amira Marghani.**

Attendance

Good Attendance and Punctuality = Good Learning

The importance of being punctual and coming to school can never be underestimated, in terms of contributing massively to children’s learning. We have started slowly with attendance and cannot stress how important it is that children are in school. (Covid excepted)

Attendance Update

The attendance team continue to try and work with our families who may need support in getting their children into school. Please contact Mrs Jatwa or Mr Garbutt if you need any support with this. Holiday applications are not considered as ‘exceptional circumstances’ now and therefore we must refer them to the Local Authority where the fines are issued. Please continue to work with us.

Have a lovely weekend.

Mr Hodgson
