A message from Mr Hodgson

An exciting week in school with the start of the World Cup in Qatar. A non-uniform day and an England win provided a positive start on Monday. Thank you for your chocolate/bottle donations for our Christmas Fayre (being held on Thursday 1st December). With the re-forming of our parent group 'Friends of Bader', we hope that you will come and support the fayre on this evening. All funds raised go to subsidising events in school like pantomimes etc.

Attendance

Good Attendance and Punctuality = Good Learning

The importance of being punctual and coming to school can never be underestimated, in terms of contributing massively to children's learning. We have started slowly with attendance and cannot stress how important it is that children are in school.

Attendance Update

Whole school attendance has dipped again this week only 90.3% compared to the 95% in the first week of term, which is where we need to be (as a minimum). There has been 46 lates across school (46 last week) 2 persistent absence letters have been sent out, 7 unauthorised absence letters and 1 term time leave of absence letters issued.

On a positive side, 230 we have pupils with 100% attendance this week and 105 pupils in school with 100% since September which is brilliant!

Please contact Mrs Jatwa or Mr Garbutt for any support or guidance to help with an attendance issue.

Swimming Success

As part of the national curriculum, all children by the time they leave primary school should be able to swim at least 25 metres. The Year 6 children have been or are currently undertaking two week compulsory blocks. We have had lots of success in these sessions – well done to those children trying hard to achieve swimming success in Year 6!

Super Spellers

As advised last week, we are again working really hard with the children to help them to successfully learn their weekly spelling words. Well done to: **Thomas Meadley, Olivia Radcliffe, Lauren Wilberforce, Phoebe Catchpole, Holly Fox, Beatrix Cooper-Gers, Jacob McKnight, Frankie Maw and Leon Callen** for successfully gaining full marks consecutively for 5 weeks.

Hot Chocolate with the Head

Children right across school are trying very hard to improve their spelling ability by practising the words sent home every week. For this week's 'hot chocolate with the head' and as a reward for being top of the spelling bee leadership with % of the class achieving 100% success, Miss Teasdale's class joined Mr Hodgson in the library. A big well done to some of our youngest members of school.

Read for the Stars

More books being given out this week to successful children reaching the sun first time this academic year. Well done to **Elsie Hutchinson, Henry O'Neil, Oliver Jackson, Hazel Millward, Isaac Hindby, Holly Fox, Beatrix Cooper-Gers, Olivia Suckling, Jenson Hilton, Nyla Smith, Isabelle Hildreth, Maya Cuthbert, Danyal Kadir, Heidi Payne, Cole Parker, Kacey-Mae Lenighan, Phoebe Catchpole, Ethan Lindo-Gibson and Roscoe Callen.**

Well done to all of these boys and girls!

All we ask that children read a minimum of 4 times a week in Early Years and Key Stage 1 and 5 times a week in Key Stage 2 (up to the maximum of seven times a week). We would love children to read more than 1 book/ chapter a night at home but they will only have 1 stamp a day recorded in their reading rocket card. They work their way through the planets until they reach the sun and then as a reward for their enjoyment of books (and their work), they will receive a certificate and book of their choice in assembly (and their star on our display). Children who are not reading at home now will need to read in school, at playtime, if this is a regular occurrence, and is 'in line with' our home/school agreement.

Thank you for your support.

Children in Need

Thanks to your generosity, we managed to raise an amazing £268.25 for Children in Need! Thank you!
