

# YEAR 1

## SPRING NEWSLETTER

*Welcome*

Year 1 starting time is 8.40am and finishing time 3.10pm.

PE will take place every Thursday. Children need to be in full PE kit. We advise leaving PE kits in school for the full half term.

Staff: Mrs Ayre,  
Miss Teasdale &  
Mrs Bryan.

## *Read For The Stars*

Please try to listen to your children read every night and write in their reading record. This can be your child's school reading book or a book from home (even if it's a few pages). We will give ticks on their reading rockets if reading is recorded. It would be beneficial to ask them lots of questions about the story to develop their comprehension.

Our Humanities topic this term is Home & Away. We will be learning about our own immediate environment and locality, and developing our knowledge of other countries.

As always, please continue to do as much work as you can at home with your child. Especially reading and phonics.

We have been very lucky to be able to completely change our reading areas in both Year 1 classrooms to make them a more welcoming, cosy space in which to enjoy books and develop a love for reading.
