A message from Mr Hodgson

As we enter the last 'lap' of this academic year, I would just like to say what a fabulous group of children we have in our Bader community. They come to school every day, with a smile on their faces and just do their best. In doing so, they uphold and demonstrate our Bader Values of **happiness, aiming high, determination, excellence and respect** every, single day. It makes me very proud to be Head Teacher at this wonderful school!

Rights Respecting School

As a silver accredited, Rights Respecting School, we look at an Article every 2 weeks. For the next two weeks:

Right of the fortnight	
	<p>Article 4 Making Rights Real</p> <p>Article 4 states that governments must do all they can to make sure every child can enjoy their rights by creating systems and passing laws that promote and protect children's rights.</p>
	<p>Key points</p> <p>The school curriculum includes learning about the CRC</p> <p>Most schools have ways of listening to children's views and opinions.</p> <p>Many schools are UNICEF UK Rights Respecting Schools and children learn about their rights.</p> <p>There are laws which include some rights from the CRC, such as equalities legislation and the Children Act.</p>

Miss Weir, our RRS lead in school, delivers an assembly every 2 weeks to introduce the latest Article we are looking at. We hope, in the next academic year, to become a gold accredited school thus, building on our bronze and silver awards.

Goodbye but not farewell

It is with mixed feelings that I must inform you that Mrs Mudgway is leaving our school at the end of this (summer) term. Mixed feelings, as I am very sad from a school point of view, as Mrs Mudgway is a brilliant, caring, enthusiastic and hardworking teacher.

Used uniforms

If any parents/ carers have any uniform that they no longer have a use for, we would be more than happy to accept these for use in school. Thank you for your support.

Bader School Ambassadors

To conclude their work visiting the 1590 Trust primaries, our two super school ambassadors, Sophie and Samuel, presented their findings to a gathered audience, this week. A big thank you to Miss Dunn, for co-ordinating this work and a big well done to Sophie and Samuel, who have been absolute stars throughout.

Conyers Lego Competition 2023

A big well done to these children in Year 5 who won the trophy for best presentation at the 2023 Conyers Lego Competition. The judges were impressed with their exciting and innovative approach to reducing plastic waste. **Nyla, Geordie-Joe, Ralphy, Willow, Ollie, Suzie, Logan and Alfie.**

Read for the Stars

Reading and a love of reading is (as you know) very high on our priority list as we feel, as a school, it is so vital and is the bedrock of everything in the world around us. The summer holidays will soon be upon us and therefore we will be 'launching' our summer reading challenge soon.

More children reaching the sun for the 3rd time **Amber Ahmed, Harley Atkins, Ralphy Dollard and Georgie Hutchinson.** A brilliant achievement by these children!

Second time at the sun for: **Violet Kennington, Freya Lincoln – Taylor, Eli Flynn, Fearn Palin, Paisley McKnight, Roscoe Callen and William Myers.** Well done to them!

And first time: **Anabia Shaikh, Isaac Beveridge – Day and Louis Wardell.** Keep on reading!

All we ask is that children read a minimum of 4 times a week in Early Years and Key Stage 1 and 5 times a week in Key Stage 2 (up to the maximum of seven times a week). We would love children to read more than 1 book/ chapter a night at home but they will only have 1 stamp a day recorded in their reading rocket card. They work their way through the planets until they reach the sun and then as a reward for their enjoyment of books (and their work), they will receive a certificate and book of their choice in assembly (and their star on our display). Children who are not reading at home now will need to read in school, at playtime, if this is a regular occurrence. This is 'in line with' our home/school agreement.

Attendance

Good Attendance and Punctuality = Good Learning

The importance of being punctual and coming to school can never be underestimated, in terms of contributing massively to children's learning. We have started slowly with attendance and cannot stress how important it is that children are in school.

Attendance goal 96%

Week commencing 26th June 2023

Class	% Attendance	Lates
REC Mrs Douthwaite/Kirton	90.1%	6
REC Miss McCall	93.2%	0
Y1 Mrs Ayre	92.2%	4
Y1 Miss Teasdale	91.5%	1
Y2 Mrs Jones	95.1%	1
Y2 Mrs S Jones	94%	4
Y3 Miss Beckwith	92.6%	1
Y3 Miss Weir	95.8%	5
Y4 Mrs Mudgway	95%	3
Y4 Miss Robson	92.3%	5
Y5 Mrs Spencer	94.9%	0
Y5 Miss Dunn	93.7%	5
Y6 Mr Robinson	93.9%	3
Y6 Miss Horrigan	94.3%	8

Attendance Update

Week 10 attendance, was similar to the previous week but still not at our target of 95% or better. Mr Garbutt, our attendance officer issued 8 letters for unauthorised absence and 10 term time referrals to the Local Authority. Punctuality was worse than the previous week with 53 lates being recorded.

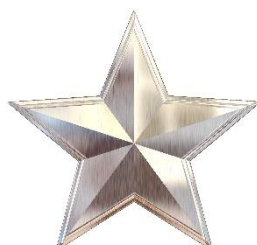

Good news, we had 244 pupils with 100% attendance in week 10 of summer term so a big well done to them! Also, we still have 13 Children with 100% attendance since September. Well done to these children too!

We have had an increase in applications for term time leave of absence recently for holidays. These, unfortunately, would not be classed as an exceptional circumstances and therefore be recorded as unauthorised. Mr Garbutt our attendance office, would then have to refer these to the Local Authority and would incur a fine.

Please contact Mrs Jatwa or Mr Garbutt for any support or guidance to help with an attendance issue.

Platinum Awards

At our school, we use Bader value points to reward children who display our values of happiness, aiming high, determination, excellence and respect. Children then earn bronze, silver and gold certificates for 100/200 and 300 Bader value points respectively. In exceptional circumstances, children who earn 400 Bader value points can earn a Platinum award. This week, we had Teddy Farndale in Year 2, Imogen Brown, Tyler Simpson, Finley Lewis, Afiya Ahmed and James Chambers in year 3 and Jorgie Kemp in Year 4. An absolutely brilliant achievement- well done to them!

Curriculum

We continue to teach as ambitious a broad and balanced curriculum as possible in all subjects. Here is a selection of Twitter posts this week: You will notice that we have included the Rights Respecting School Articles too.

Shiver me timbers! There are pirates in Nursery #RRSArticle31

Year 1 had a fantastic science lesson. We went on a tree hunt and identified different trees by their leaves. #RRSArticle28

Year 3 have planted seeds to see how best to grow them. #RRSArticle28

Year 5 had a fantastic time at Thorp Perrow Arboretum.

Reception have enjoyed playing outside #RRSArticle3

Year 2 created some fantastic diagrams to label the human body parts such as wrists and ankles. #RRSArticle24

Year 4 are asking historical questions and using the internet to research their answers about Alexander the Great. #RRSArticle29

Year 6 had a great outdoor session with Scouted Sam they made some delicious s'mores. #RRSArticle31

Have a lovely weekend.

Mr Hodgson
