

## **Evaluated Sport Premium & Swimming Data 2022 - 2023**

**Bader Primary School**

Vision for the Primary PE and Sport Premium

**ALL** pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle and lifelong participation** in physical activity and sport.

The funding has been provided to ensure impact against the following **OBJECTIVE**:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (*above*) that will live on well beyond the Primary PE and Sport Premium funding.

**It is expected that schools will see an improvement against the following 5 key indicators:**

- 1 The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
- 2 The profile of PE and sport being raised across the school as a tool for whole school improvement
- 3 Increased confidence, knowledge and skills of all staff in teaching PE and sport
- 4 Broader experience of a range of sports and activities offered to all pupils
- 5 Increased participation in competitive sport

### **Primary PE and Sport Premium Report for 2022/23**

The Primary PE and Sport Premium was launched by the government in April 2013. It is ring-fenced funding to be used by the school to improve the quality and breadth of our PE, sport and physical activity provision.

In the academic year 2022/23, we received £18,730. The details below show how we plan to spend the Premium and what impact it will have on our pupils.

## Physical Education

Physical education is needed to increase the physical competence, health-related fitness, self-responsibility and enjoyment of physical activity for all pupils so that they can be physically active for a lifetime. Physical education can only provide these benefits if they are well-planned and well-implemented.

**Improved Physical Fitness:** Improves children's muscular strength, flexibility, muscular endurance, body composition and cardiovascular endurance.

**Skill Development:** Develops motor skills, which allow for safe, successful and satisfying participation in physical activities. **Regular, Healthful**

**Physical Activity:** Provides a wide-range of developmentally appropriate activities for all children.

**Support of Other Subject Areas:** Reinforces knowledge learned across the curriculum. Serves as a lab for application of content in science, math and social studies.

**Self-Discipline:** Facilitates development of pupil's responsibility for health and fitness.

**Improved Judgment:** Quality physical education can influence moral development. Pupils have the opportunity to assume leadership, cooperate with others; question actions and regulations and accept responsibility for their own behavior.

**Stress Reduction:** Physical activity becomes an outlet for releasing tension and anxiety, and facilitates emotional stability and resilience. **Strengthened**

**Peer Relationships:** Physical education can be a major force in helping children socialize with others successfully and provides opportunities

to learn positive people skills. Especially during late childhood and adolescence, being able to participate in dances, games and sports is an important part of peer culture.

**Improved Self-confidence and Self-esteem:** Physical education instills a stronger sense of self-worth in children based on their mastery of skills and concepts in physical activity. They can become more confident, assertive, independent and self-controlled.

## Participation and achievement in school sport

<b>Academic Year:</b> 2022 / 2023	<b>Total fund allocated:</b> £18,760					
<b>Primary PE &amp; Sport Premium Key Outcome Indicator</b>	<b>School Focus/ Planned Impact on pupils</b>	<b>Actions to Achieve</b>	<b>Planned Funding</b>	<b>Actual Funding</b>	<b>Evidence</b>	<b>Sustainability / Next Steps</b>
1. ### **Action Plan 2022/23**

<b>Objectives (what we want to achieve)</b>	<b>Who</b>	<b>Action (how we will achieve it)</b>	<b>How will we know we have achieved it?</b>	<b>Resources / Time/ Cost</b>	<b>Timeline</b>
Continue to create a broad and balanced PE curriculum that meets the needs of all children at Bader Primary.	Subject Leads Teaching Staff	Staff will work continue to work alongside Go Sport.  Work with sports coach to plan a programme of study in line with what children at Bader need.		Go Sport PE staff – Mr Braithwaite.  Sports Coach – full time	
To continue to provide specialist support for teachers, so to increase their subject knowledge and confidence in the teaching of PE.	Subject Leads	Trust termly meetings with all PE co ordinators.		Go Sport PE staff – Alex Courses to upskill teachers – available through SBC PE package	
To promote the importance of healthy active lifestyles.	Subject Leads				

To obtain external recognition for our commitment to school sport competition.	Subject Leads	Work towards achieving School Games Mark – Gold.	Achieving the award.		
To increase the participation in sport for the non-active population	Subject Leads	Offer a range of different clubs Wake and shake			
Continue to increase the number of inter sport competitions so more children can access and benefit from competition. This will also provide a link to community sport through local club links.	Subject Leads	Re-sign up to the Stockton School Sport and Physical Activity Network. Includes school game festivals and competitions. Set up a number of after school clubs run by both Sports Instructor, Conyers PE Staff and Teachers	Entry into competitions. Results from competitions indicate success. Regular features in celebration assemblies. School Newsletters and school website. School twitter	Conyers PE staff – Mr Braithwaite.  Sports Coach – full time	

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your current Year 6 cohort, swim competently, confidently and proficiently over a distance of at least 25 meters?	89.2%
What percentage of your current Year 6 cohort, use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	21.4%
What percentage of your current Year 6 cohort, perform safe self-rescue in different water-based situations?	16%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	YES
