Class Dojo and Seesaw:

Please continue to use class dojo regularly to keep up with any messages from school. You can also contact your child's class teacher there to send a private message. In Year 1, we will begin to use 'Seesaw'. This is a great app that allows you to be able to see your child's fantastic learning! Please make sure you sign up to this as we will be posting regular information to help you support

Plants

Historical Figures and Railways

During this topic, children will learn about the Stockton and Darlington Railway being the first passenger railway to use steam trains to transport passengers.

In Science they will be investigating plant and seasonal changes.

In Computing, they will be creating storyboard presentations and creating simple programmes.

In Art they will be studying the work of artist LS.Lowry.

In PSHE they will be learning about healthy lifestyles, hygiene and growing and changing.

In Design Technology they will be designing, making and evaluating a moving train.

Home Learning:

We are continuing with our whole school reading initiative 'Read for the Stars'. Please can you continue to read with your child regularly at home. The expectation for KS1 is that the children **read at home 4 times a week**. We are excited to see who will reach the Sun next!

The additional phonically decodable book will also be sent home to read, as well as a book of each child's choice to read at home together. This is for reading for pleasure.

Please write in your child's reading journal when they have read with you so that books can be changed when required. Please also ensure that reading books come into school every day.

Children will receive spellings on a Monday on paper and Class Dojo, these can then be learned over the week and will be tested the following Friday. The children will compete against other classes to get the highest average score to be in with the chance to become 'Royal Spelling Bee' for that week!
